Protective Gear Form - Headgear

Under Policy POL.08.02 (Protective Equipment Policy - Head Gear)

Protective Head Gear

A player who desires to wear protective headgear during a match must wear Sports Physician or Doctor approved headgear that is suitable for football. This headgear approval form, signed by a Competition official, must be available to the umpire to view at each match. The umpire is authorised to forbid the player from participating in the game if the form of approval is not shown.

Players suffering from disabilities or medical conditions:

A player who has a disability or medical condition which could potentially result in injury is required to have a certificate from a medical practitioner certifying that the player will (in the view of the medical practitioner) receive adequate protection from the protective headgear.
